

Gift Cards for College™

Creating a college culture in schools and homes

Frequently Asked Questions

Here's a buying service that surpasses any credit card rebate or bonus program to date.

What if you could join a buying service that gives you back an income tax-free rebate on everything you buy from over 500 of your favorite stores? These are dollars you are spending anyway! Your rebate can be used to help fund your child's college education. The National VIP Kids Network is a Maryland registered 501c3 charity that works to make the community better by teaching kids to say no to drugs and yes to college. The VIP Network also helps senior citizens and other charities.

Do you want your hard-earned money to go a lot further?

Here's an idea that will make your hard-earned money go farther than you ever expected. It's simple. There are no gimmicks. We offer a straightforward program where you can be certain of your savings.

How does the buying service work?

You simply shop with gift cards/gift certificates. We call it scrip. Scrip is the same as money. It's fun and easy. For example, you go to Barnes & Noble. If you use gift cards to pay for your purchase that you ordered through our program then 9% goes into your account.

When do I get my Gift Cards for College™ rebate money?

You get a check every quarter. You get an accounting of every dime in your account with your quarterly statement.

How do I start and order scrip?

It's simple to start– place your first order to become a member. The order form tells you where to send your check. You can order as frequently as weekly if you desire. The catalog tells you the sponsors, denomination of the gift cards/gift certificates and rebate percents.

What are my costs and what do I need to do to get the rebates?

You are automatically enrolled in the program after you make a \$250.00 tax deductible donation. Our thank you for your donation is enrollment for sixty months in the program. All scrip you order during your sixty months will return the percentage rebate to your account listed in the catalog, less a small shipping and handling charge to mail your scrip to you.

Can I get other people to work with me to increase my rebate?

Yes. They give you the money for their scrip and you put it in your bank account. You send one check for your order. All scrip is sent to you and you distribute it to your people. The rebate goes to you.

How quickly do I get my gift cards/gift certificates?

You can expect to receive your scrip via U.S. mail within three to five days of the day the weekly Master Order is placed. Our Master Order to our sponsors is placed every Monday at 7:00 a.m. It is placed on Tuesday if Monday is a holiday.

Do I still get my rebate if the gift cards/gift certificates are not used?

Yes. Your rebate is earned when you order. Your rebate is not dependent upon when the scrip is actually used.

Can I refer others to this program?

Yes. Their enrollment will bring one hundred dollars to your rebate account. You help them, they help The National VIP Kids Network, and you receive a gift.
